INFO DAYS

Online Info session: Capacity Building in Higher Education (CBHE) action

The Erasmus+ Capacity Building in Higher Education (CBHE) action supports international cooperation projects based on multilateral partnerships between organisations active in higher education. It supports the relevance, quality, modernisation and responsiveness of higher education in third countries not associated to the Erasmus+ programme for socio-economic recovery, growth and prosperity and reacting to recent trends, in particular economic globalisation but also the recent decline in human development, fragility, and rising social, economic and environmental inequalities.

The Erasmus+ CBHE action contributes also to the broader policy objectives that are being pursued between the European Commission and the third countries not associated to the Programme, including the Global Gateway investment packages.

If you wish to prepare a CBHE project proposal under the Erasmus+ Programme, please follow us to ask questions and to make sure to have the latest updates.

We will provide you with information on the main features and novelties of the action and you will have the chance to find tips, ask questions and get the answers online.

The event will take place on **05/12/2024 at 10:00 am, Brussels time.**
